

Who's who at the Villa?

Our classic themed day invites your pupils to walk in the shoes of people living and working at Bignor almost 2000 years ago, and to identify similarities and differences with their own lives. This social, story-based approach examines key elements of the Romanisation of Britain while inspiring imagination and empathy for our not-so-distant past.

- Take part in up to three hands-on activities, dependent on group size.

Information relevant to all KS2 visits

- All visits include a guided tour of the villa and its stunning mosaic floors
- As a useful exercise in cash handling, why not visit our reasonably priced gift shop as part of your day? You may also pre-order goody bags to be given value and/or mosaic coaster kits to complete at school for £1.50

For bookings please email enquiries@bignorromanvilla.co.uk
